# **stryker**

# **Manufacturing Day | Welcome Community**

## **October 13th, 2022**

### Why you should attend!

- Discover how you can join us in making healthcare better with a career in Stryker Manufacturing!
- Fun demonstrations of equipment we build
- Cool Stryker Swag
- Treats to keep you energized

#### Start

We are welcoming the community into our facility at 6201 South Sprinkle Road, Kalamazoo at two different times:

First Tour | 9am Second Tour | 12pm

### Career Jam

The tour will end with some great stories on individuals career paths! Come see how you can build a career with Stryker!

There will be a tour and demonstrations of some of the great instruments we build.
